

Performance Maintenance Agreements

Routine maintenance gives you the best return on your investment. Join the growing number of people who keep their equipment running at its peak with **Ron's Heating & Air Conditioning's** Performance Maintenance Agreement.

The many advantages of Service Agreements are:

- Lower monthly utility bills
- Longer equipment life
- 10% Discount on parts (Freon is excluded)
- Priority service
- No overtime charges
- Scheduling convenience
- Compliance with 10 year Extended Warranty Programs

Return the bottom portion with payment to Ron's. Our friendly staff will contact you semi-annually to set up appointments. This is a pre-paid service and is non-refundable. Three attempts will be made to schedule an appointment at your convenience. If we are unable to contact you or schedule your maintenance within the service season, that season will be forfeited.
